We've only just begun

Do not follow where the path may lead;  
go instead where there is no path and leave a trail.

Ralph Waldo Emerson

Class of 2012

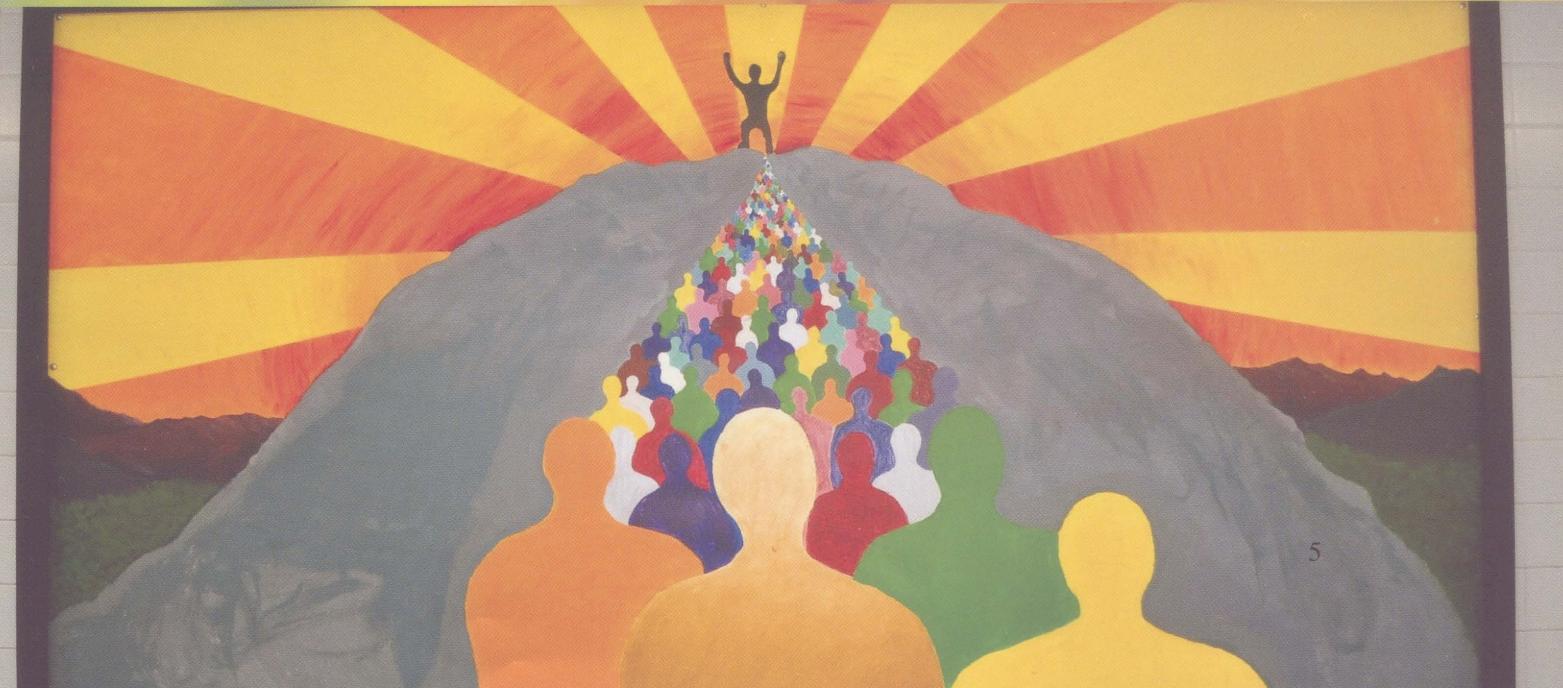

# Class of 2012

The Most notable aspect of a person's life is our high school years. Stepping away from childhood, we said hello to a new juncture of life, excited and well ....a bit nervous. We encountered things we were ignorant to, overcame obstacles and experienced life-changing adversities. And after all this, we ask ourselves, "What will I be remembered for?"

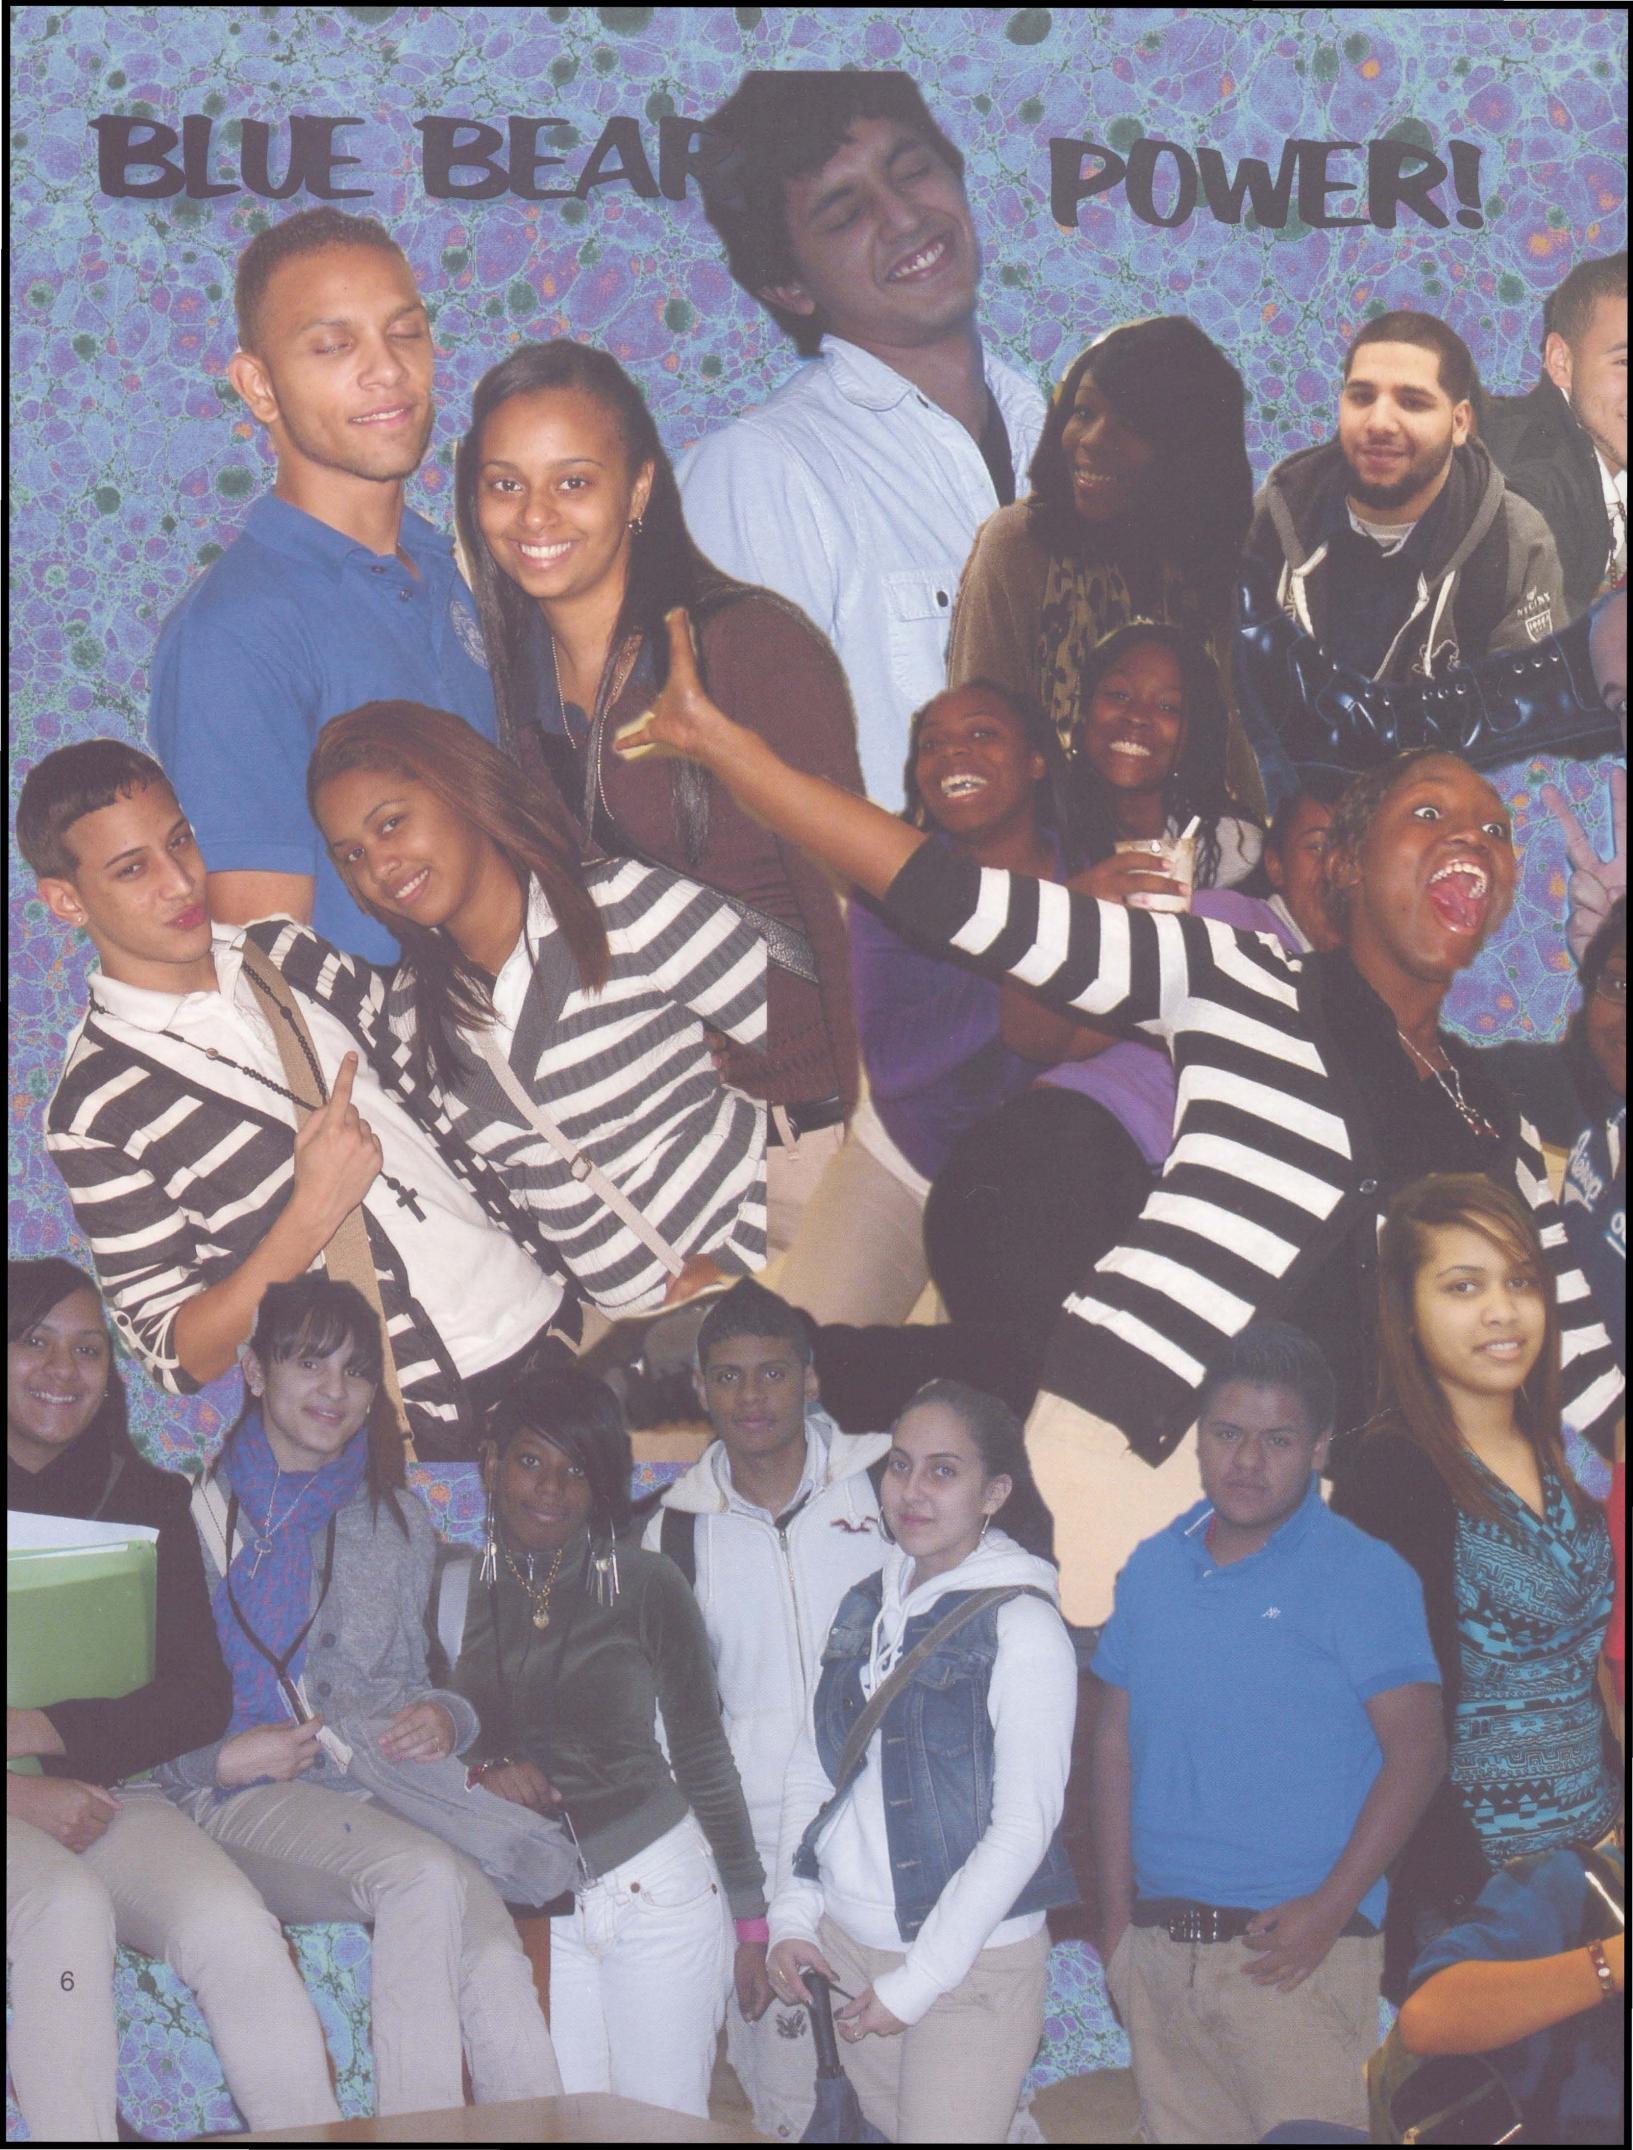

Four years of stay in the warm embrace of "our second home" is equivalent to four years of various experiences to be reminisced upon. We encountered different persons with whom we shared our every triumphs, disappointments, and glee. We participated in school events that expressed who we are.

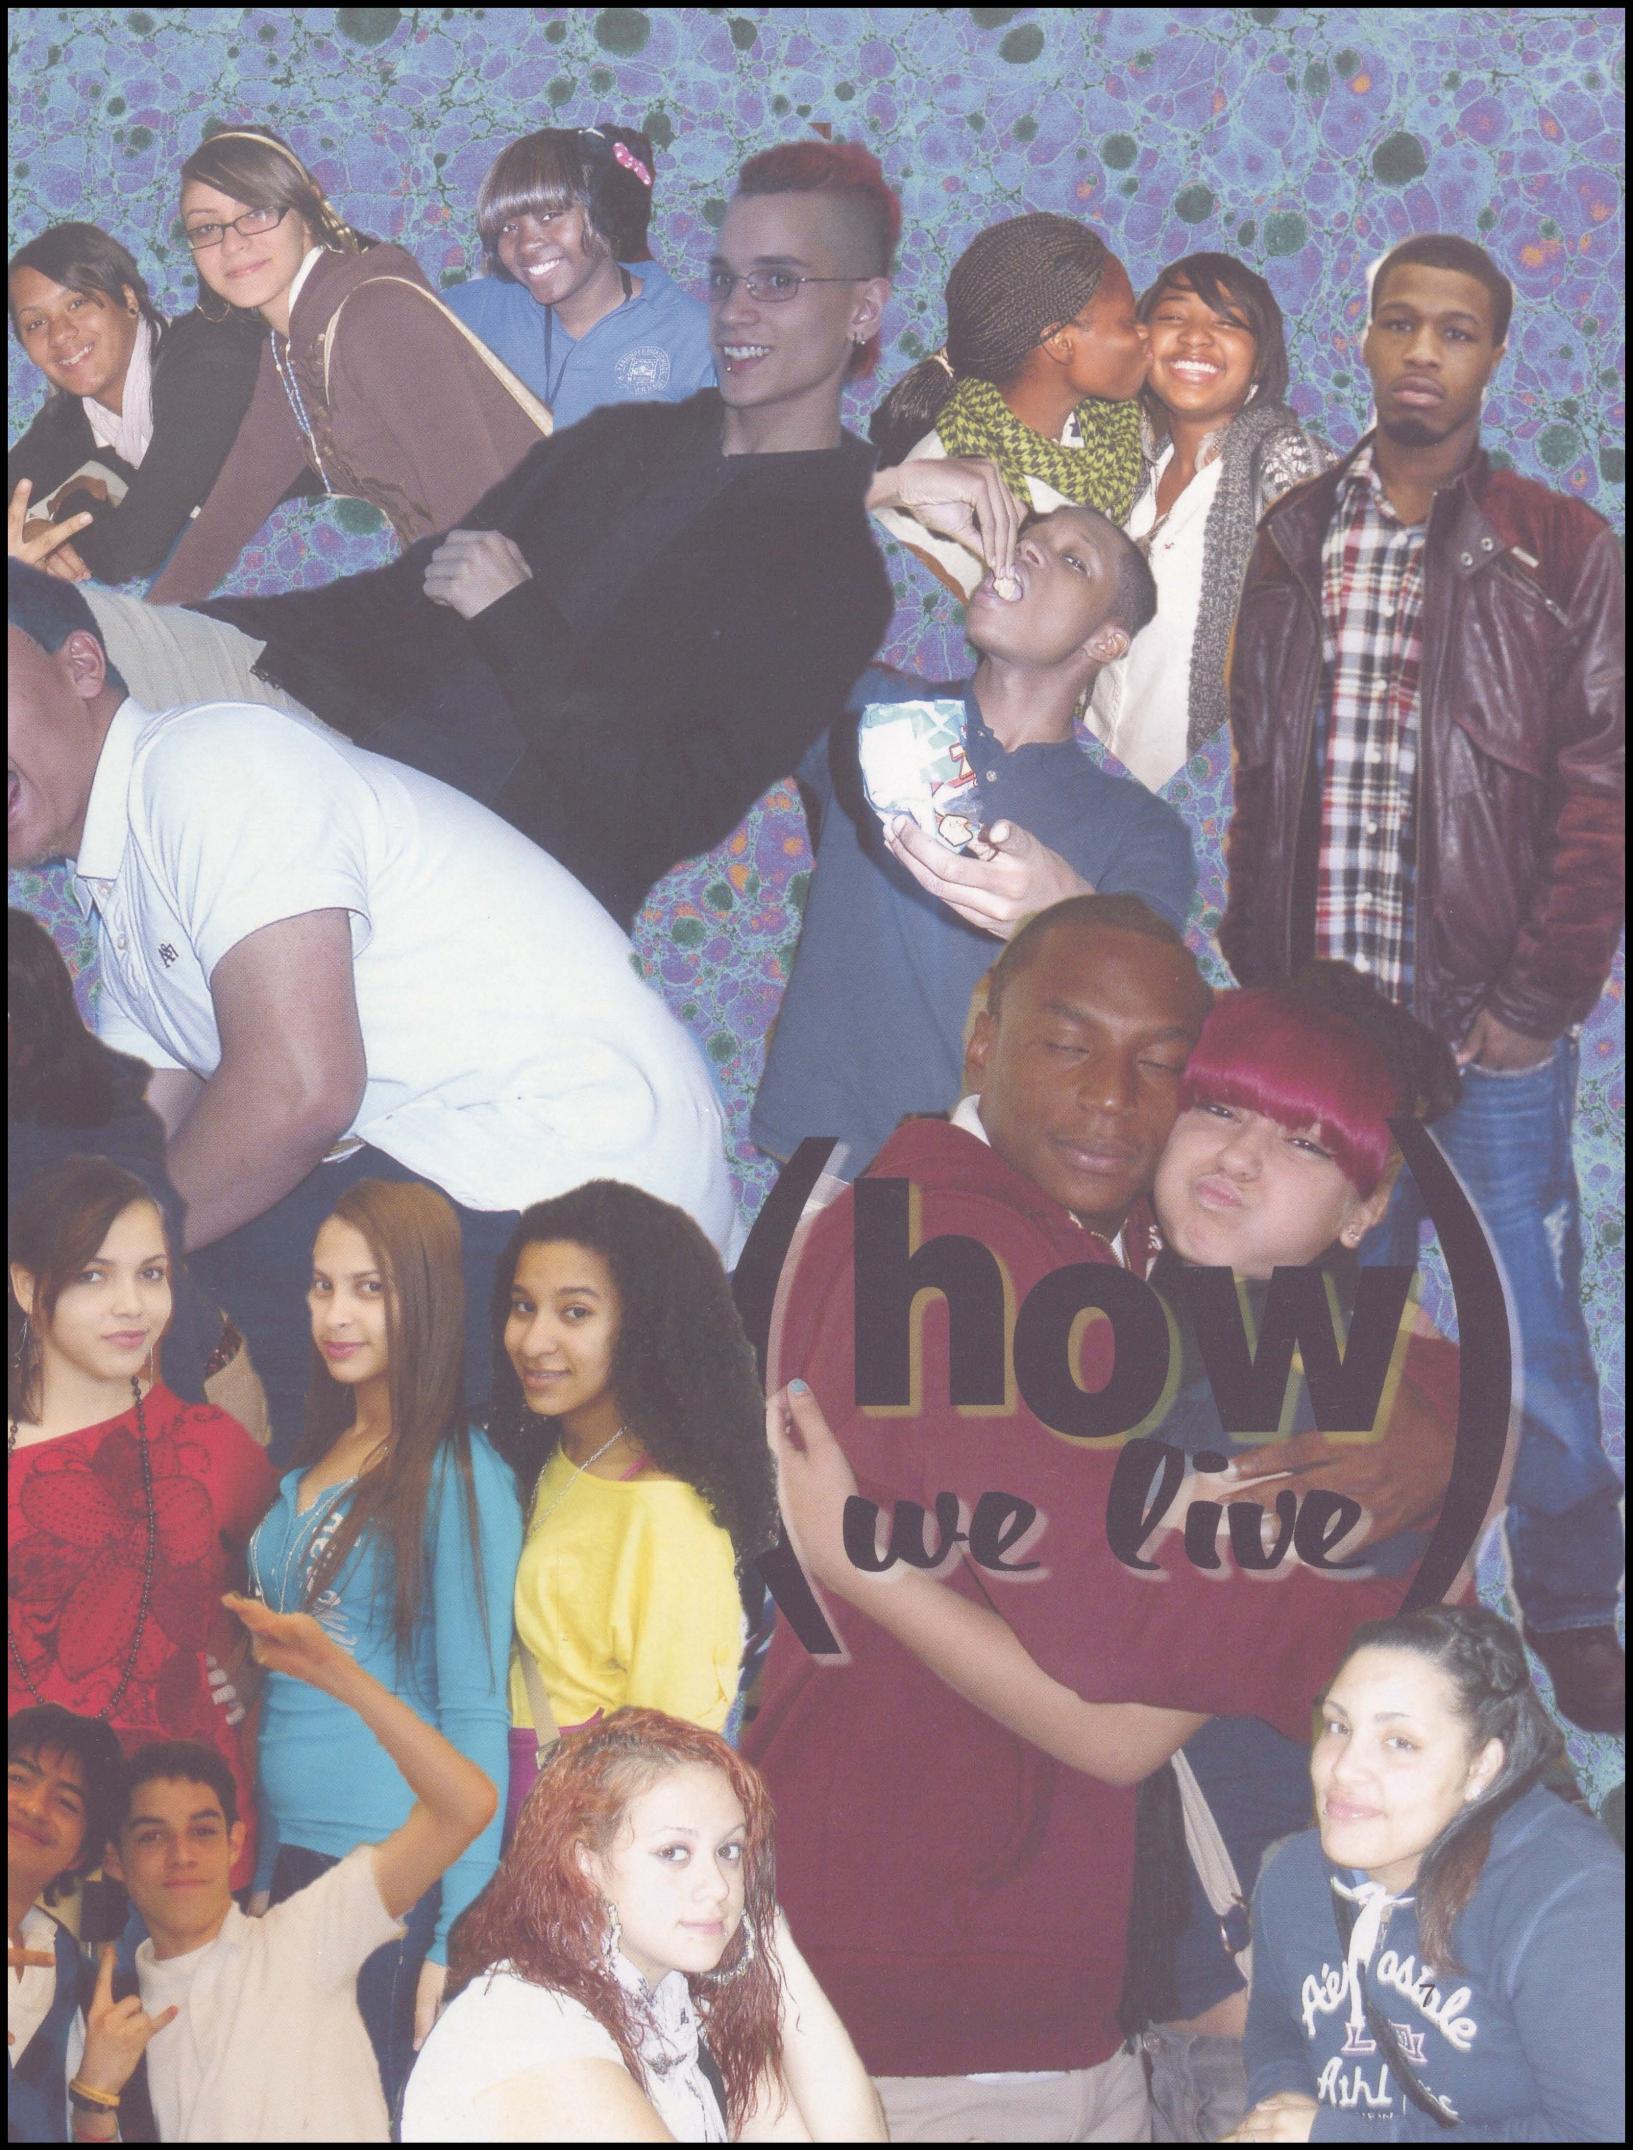

We were graced with diverse mentors who prepared us for the rising of a new sun. We all learned from them; not only from the pages of the books, but also from the diaries of life. Every experience we encountered here counts and now as we part ways, we leave with the wise words of philosopher Henry S. Haskins who said, " What lies behind us and what lies before us are tiny matters compared to what lies within us", remembering that graduation is not the end of the road but rather the beginning of a bright future.

# OUR PRINCIPAL

## Ms. Shonda Davis

### PRINCIPAL'S MESSAGE

As the Principal of Barringer High School, I write this message to you with love, hope, and joy in my heart. I have watched all of you grow into young men and women, and I am proud to have served as your Principal. As such, I feel compelled to impart upon you words of inspiration and encouragement as you make the transition from being high school students to being adult members of the greater community. During this time, my heart is filled with both joy and sorrow. I love all of you dearly, so it saddens me to know that our time together is over. However, I find peace and solace in knowing that you have accomplished all that you can at Barringer and are moving on to embrace bigger and better opportunities.

As you travel down your life's path, be fearless, embrace change, and take chances. Celebrate your accomplishments, and persevere through trying times. Life is a journey full of many trials and tribulations; yet, within each of these experiences resides the opportunity to grow, to learn, and to get that much closer to fulfilling your life's purpose. Be not weary during these moments of difficulty; yet, remain steadfast and strong, for we are not defined by the moments we endure. Instead, we are defined by the ways in which we respond to these moments. You must also keep in mind that you may not always be able to control what occurs, but you will always be able to control the ways in which you respond. However, the choice is yours and it is my sincerest hope that you choose to respond to life in ways that best represent who you are with the utmost regard for high morals and noble intent.

As stated by Dr. Martin L. King, Jr., "The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands in times of challenge and controversy." So in the spirit of the great Dr. King, I encourage you all to live lives of servitude. Be stewards of righteousness, justice, love and peace. Stand firmly upon your convictions, and be not afraid to redefine the status quo, challenge the norms, and think outside of the box. You are the future, and the future is yours to behold.

In closing, I say farewell and assure you that I will be there in spirit.. cheering you on as you navigate your way through life. Be humble, yet confident! Be brave, but cautious. Create your own destiny and determine your own fate. Make every day a great day. Have a great life, and always remember that the choice is DEFINITELY yours!

Love Always

Barringer High School's Student Council was very busy this school year. Our Anti-Bullying Campaign kicked off in December, starting with attendance at a Faculty Meeting where we asked the faculty and staff to assist us in getting students to think about ways to stop bullying by participating in our Anti-Bullying Poster Contest. We then hosted a Meet & Greet Your Student Council where we discussed the school's climate with students. We asked them what they wanted to see happen in our school. We conducted a school-wide survey on the climate and culture of the student body. Our hope was to get a "feel" for how the school is perceived and what students would like to see happen to change or enhance any perceptions. We hosted small group anti-bullying seminars with Sophomores and Seniors to bring awareness about the issue of bullying and what everyone can do to stop it. We also held an Anti-Bullying Assembly with skits from our Forensics Team and presentations by the Student Council.

Barringer High School's Student Council wishes the Class of 2012 the Best of Luck in all their future endeavors.

## College Bound

This year's College Fair, was held on November 16, 2011 by the BHS Guidance Department, with help and support from School Base Services.

There were over 20 colleges:

NJCU, Kean, Drew, Felician, NJIT, DeVry, Rutgers Newark, William Paterson, Montclair, Centenary, Essex County College, Hudson County College, Bloomfield College, Caldwell, Berkeley, Johnson & Whales, Lincoln Tech, Eastern College, Ramapo, and many other guests, which included representatives from the Pre-College Program Gear Up from NJIT, who were helping students with the Financial Aid process. The Admission Counselor of Montclair University stated, "I have not seen anything like this at Barringer High School in more than 20 years." A counselor from Felician College stated that this year's College Fair at Barringer High School was the largest he has been to since the College Fair at the Prudential Center last year.

To be on the Barringer High School girls' basketball team requires a player to utilize many skills. This year, the girls team won important games against strong opponents. They were awesome as they played with smart techniques and strategies.

The support from the fans, was always there as the girls put all their minds into the game so they could be victorious. Now that the seniors will move on, the new young team of intelligent and skillful girls will take their place. Next year the basketball record will be better.

# FOOTBALL

Football is a sport that involves mind, body, and spirit working together in unison. It is a lively, boisterous sport that helps create memorable moments in high school. Our football players possess agility, stability, and teamwork which are necessary to play and win each game. They are able to give 100% of their effort while enjoying the demanding sport of football. Our football team brings pride and dignity to our school whether they win or lose.

# SOFTBALL

The Barringer Lady Blue Bears Softball Team strives toward success each year. Although crucial players were lost to graduation, the rebuilding year of 2012 shows much optimism for next year's squad of returning players. Among the seniors leaving us this year are Leadis Peguero and Christie Neris, who have been Varsity players for four years, as well as Elidez Sanchez (2 years) and Jalisa Honeyblue (1 year). Leadis, Christie, and Elidez were a part of the 2011 SEC Colonial Division Championship Team.
